# PATHWAYS AND PROGRAMMES

## › INTERNATIONAL FOUNDATION YEAR

(For all high school graduates)

### 1 YEAR IN PERU + 3 YEARS ABROAD

With this modality, you will receive a solid academic foundation in your first year, along with English skills development and essential study techniques. This is known as the "International Foundation Year", and it is fully recognized by the destination university you choose.

From the second year onward, you will live abroad and study at your chosen university until you complete your degree.

Programs that apply: All

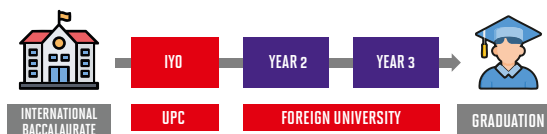

## › INTERNATIONAL YEAR ONE (IYO)

(For IB Graduates, Cambridge International Graduates or NCUK-IFY Graduates)

### 1 YEAR IN PERU + 2 YEARS ABROAD

The "International Year One" at UPC-NCUK is a credit-bearing programme equivalent to the first year of an international degree but here in Peru. This allows you to complete the first year of your Bachelor's degree in Peru, guaranteeing entry into the second year at an NCUK university. It is designed for students with an International Baccalaureate (IB) or those who have successfully completed the International Foundation Year (IFY).

Programs that apply: Business Management

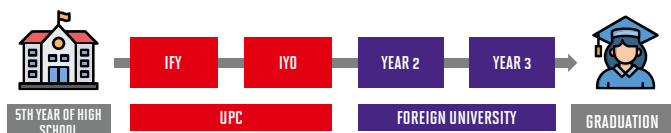

## › 2+2 PROGRAMME

### 2 YEARS IN PERU + 2 YEARS ABROAD

With this modality, students in the programme can complete their first two years in Peru and finish the remaining two years at the international university of their choice. The program is structured in two consecutive stages: the International Foundation Year and the International Year One, ensuring a smooth transition to their studies abroad.

Programs that apply: Business Management
